Subject: Security system

Zane:

Advent Security Systems installed a camera system at Morgan High last spring. It has been a valuable addition to our school. It is well worth the limited expenses. Our resource officers uses it on a daily basis. In fact, we will be adding the system to all of our schools in the district. Dan and his crew are great people to work with. If I can answer any of your questions, feel free to give me a call.

Principal

Morgan High School
